

NIAGARA DISTRICT COUNCIL OF WOMEN

*"Improving the
quality of life for
women, families
and society"*

- Learn about current community issues
- Share in our collective knowledge
- Identify emerging needs, raise awareness and respond to current concerns
- Assess existing legislation, develop and present alternative policy through our Provincial and National Councils
- Network and promote the work of your community organization
- Monthly speakers and panel discussions

The Council of Women works towards improving conditions for the family, community and society in areas such as economics, education, health, environment, housing, justice, status of women, social development and seniors' issues.
