NIAGARA DISTRICT COUNCIL OF WOMEN

Established 1918

Join us on Wednesday September 12 at 7:00 pm for a Public Forum, **Women in Niagara Politics: 2018 Candidates Forum.**

We have invited all 21 women who are running for either Mayor or Regional Councillor in Niagara municipalities to speak for 3-4 minutes, with questions to follow. Candidate confirmations to attend have been very high with only a few unable to attend due to other commitments.

The focus of this unique candidates' meeting is the fact that women are needed in Niagara politics and can make a difference in how our communities are best served in all aspects of life – economics, education, health, environment, housing, justice, status of women, social development and seniors' issues.

Debbie Zimmerman, a former Regional Chair and CEO of the Grape Growers of Ontario, has kindly agreed to moderate the meeting for us.

Mills Room - St Catharines Library, 54 Church St.
