NDCW

NIAGARA DISTRICT COUNCIL OF WOMEN

Established 1918

Join us on Wednesday October 10 at 8:00 pm for a Public Forum, **Protecting the Great Lakes** with guest speaker John Jackson, Great Lakes Expert and former President of Great Lakes United.

John is a passionate leader who has been tirelessly advancing public engagement throughout the Great Lakes, combining an extraordinary depth of knowledge about the Great Lakes with passion and a strategic vision for binational collaboration. He has a remarkable ability to influence Great Lakes policies and issues. John dedicates his time to Great Lakes issues, with a particular focus on the Great Lakes Water Quality Agreement and engaging stakeholders and the public in caring for our shared waters.

“ Together, we need to work to protect the world’s largest freshwater ecosystem. ”
