Together, the Niagara District Council of Women members have made a difference over more than 100 years. We hold monthly business meetings and open public forums which often draw press coverage as our topics explore vital current issues; we develop resolutions and presentations to all levels of government; and our members support a variety of causes. To accomplish this work we meet at 7:15 p.m. on the second Wednesday of each month at the St. Catharines Central Library. Our meetings are always informative and provide opportunities for networking with many diverse groups, individual members, the public and guest speakers on a variety of subjects. (See our program for 2018-2019 enclosed.)

The annual Group Membership fee is \$40.00 and the Individual Membership fee is \$20. Members receive news of Council of Women activities, Newsletters and other e-mail correspondence, and are invited to send us notice about their upcoming events to be posted on our website.
